

# YRPF Presents: The Coffee Break Sessions

Hosted by the Association for European Transport Young Researchers' and Practitioners' Forum

*The YRPF warmly invites you to join us for an informal series of lunchtime sessions where we will be discussing a range of transport related topics. Open to all, the sessions will be an opportunity to engage with some of the most pressing industry challenges and expand your network during a time when we're spending more time than ever apart.*

## Topic One: Inclusive Travel

### Creating Gender Parity in Transport Outcomes

28<sup>th</sup> January 2021 12:30-1:30pm CET

*Join us for our first session as we host **Sherin Francis** and **Katie Pearce** to lead a discussion on the topic of gender and transport. Sherin & Katie are Transport Planners working in the UK to drive better transport outcomes in projects. Their work in the space of Gender and Transport has been internationally presented and recognised. Their unique approach takes a lifecycle view of gendered barriers to travel and breaks down the appraisal process to identify positive opportunities at every stage of the planning process.*
